

UAE Young Statistician Prize

Statistics Centre – Abu Dhabi (SCAD) encourages all young statisticians in the UAE to participate in the first ever UAE Young Statistician Prize, to coincide with the 2016 International Association for Official Statistics Conference (IAOS 2016), to be held at the Abu Dhabi National Exhibition Centre (ADNEC) on 6-8 December 2016.

Prize Objectives

- To encourage more young statisticians to take an active interest in Official Statistics.
- To raise the spirit of innovation and creativity among UAE nationals in the field of statistics.

Prize Criteria

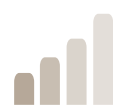

The submitted scientific papers should meet the following requirements:

Author(s) should be UAE nationals under 39 years

The paper and presentation should not have been previously published or presented in any other public fora

The paper and presentation should be related to one of the conference themes and address methodological and strategic issues in the field of Official Statistics

En

The paper and presentation should be submitted in English

The paper should propose solutions to the addressed topic

The paper and presentation should have a maximum of three co-authors

The paper should be 4-6 pages in length and the presentation should be no more than 12 slides

Author(s) should only contribute to one paper and presentation

The winning scientific paper will be chosen from the top three papers. The author(s) of the winning paper/presentation will be honoured during the IAOS 2016 Conference. The winner(s) will also receive a prize from Etihad Airways.
